Re: HGA Certification in Brazil

To Whom It May Concern:

Please accept this letter as formal certification that the Waterloo Hydrogeologic software products Visual MODFLOW Flex, Hydro GeoAnalyst, AquaChem, AquiferTest, UnSat Suite Plus, and Visual HELP are proprietary products and that we are the original publishers of the above-mentioned products.

Water Services & Technologies (WST) situated at Rua Bernardo Figueiredo, 33, 6º Andar, Serra, 30220-140, Belo Horizonte, MG, Brazil, is the only certified distributor of our software products in Brazil based on their significant experience training and assisting clients with solutions that leverage our products. In addition, WST is the only company authorized by Waterloo Hydrogeologic to provide services related to the use of Hydro GeoAnalyst in Brazil.

All matters concerning the maintenance, operation, and support of this software are addressed by Waterloo Hydrogeologic directly from our Waterloo, Ontario, Canada office.

Please do not hesitate to contact me directly if you require any further information.

This letter is valid till April 17, 2026.

Respectfully,

A handwritten signature in black ink, appearing to be "F. Valle", written over a horizontal line.

Fernando Bellod Valle | **Global Sales and Marketing Manager**

17 de Abril de 2025

Assunto: Certificação HGA no Brasil

A quem possa interessar,

Por meio desta, certificamos formalmente que os softwares da Waterloo Hydrogeologic — Visual MODFLOW Flex, Hydro GeoAnalyst, AquaChem, AquiferTest, UnSat Suite Plus e Visual HELP — são produtos proprietários e que somos os editores originais dos referidos produtos.

A empresa Water Services & Technologies (WST), localizada na Rua Bernardo Figueiredo, 33, 6º Andar, Serra, 30220-140, Belo Horizonte, MG, Brasil, é a única distribuidora certificada dos nossos softwares no Brasil, com base em sua ampla experiência em treinamentos e suporte a clientes com soluções que utilizam nossos produtos. Além disso, a WST é a única empresa autorizada pela Waterloo Hydrogeologic a prestar serviços relacionados ao uso do Hydro GeoAnalyst no Brasil.

Todas as questões relativas à manutenção, operação e suporte desses softwares são tratadas diretamente pela Waterloo Hydrogeologic a partir do nosso escritório em Waterloo, Ontário, Canadá.

Caso necessite de mais informações, por favor, não hesite em me contatar diretamente.

Esta carta é válida até 17 de abril de 2026.

Atenciosamente,

A handwritten signature in black ink, appearing to read "F. Valle".
